

Supported
video meeting
platforms:

Vivoh scales your enterprise communications using video webinars with multicast delivery

Multicast Delivery

Most Secure

Stable HD Video

Low Latency Streaming

USE MULTICAST TO EXTEND YOUR VIDEO WEBINARS

- Share one link, which will launch the Vivoh App or the native meeting App as needed
- Zoom, Webex, and MS Teams all support RTMP video output to Vivoh servers
- The most efficient way to reach thousands of video webinar viewers
